{ I currently send Certified Mail® with a PS3811 “Green Card” in order to get a signed receipt from the recipient. }

What you pay today

For a one-ounce U.S.P.S. Certified Mail® letter, you currently pay \$5.75 to the U.S.P.S. Of course, your actual cost is quite a bit higher when you add in costs for the envelope, the labels to address the envelope, your postal meter ink and rental costs, administrative costs to manually fill out the U.S.P.S. PS3800 and PS3811 forms, and the cost of traveling to and from the Post Office should you need Proof of Acceptance. Use the chart below to estimate your total cost.

Scenario #1	Certified Mail with PS3811 Green Card
USPS fees:	
Postage (1 ounce letter)	\$0.45
USPS Certified Mail fee	\$2.95
USPS Green Card fee	\$2.35
Total USPS fees:	\$5.75

What you pay with SimpleCertifiedMail.com

For a one-ounce U.S.P.S. Certified Mail® letter, with a signed receipt from the recipient, you’ll pay SimpleCertifiedMail.com \$6.05, just 30 cents more than you pay today.

Here is what the \$0.30 actually saves you!

- No forms to fill out, peel and stick.
- No need to visit the Post Office.
- No more waiting days for the return of the PS 3811 “Green Card.”
- No Green Cards to file.
- No monthly service or meter fees.
- No software to buy or install.

And here are the extras you get for \$0.30!

- Proof of Acceptance without visiting the Post Office.
- Proof of Delivery with signature within just a few hours of delivery, using the Return Receipt (Electronic).
- The ability to combine the Green Card and the Return Receipt (Electronic).
- Secure 7-year data storage.
- An online record of your mailing expenses, making it easy to track and manage them, even rebill these expenses to clients.

More than 1 ounce, and other services?

To determine the cost of mail pieces exceeding 1 ounce, simply subtract \$.45 from our \$6.05 price, and add the appropriate postage. For example, add \$.65 for a 2- ounce letter, \$.90 for a one ounce flat, or \$5.10 for Priority Mail® Flat Rate Legal Envelopes. Need Restricted Delivery®? Just add the U.S.P.S. \$4.55 charge.

{ I currently send lots of Certified Mail®, and need an easy way to get Proof of Delivery, but not the recipient's signature. }

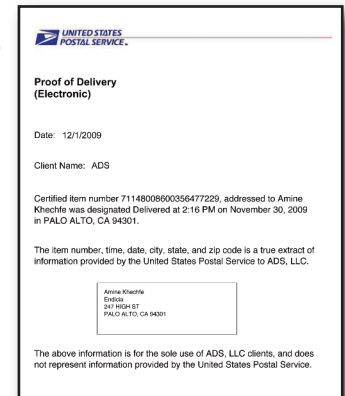

What you pay today

For a one-ounce U.S.P.S. Certified Mail® letter, you currently pay \$3.40. Of course, your actual cost is higher when you add costs for the envelope, the labels to address the envelope, your postal meter ink and rental costs, administrative costs to manually fill out the U.S.P.S. PS3800 form, and the cost of traveling to and from the Post Office should you need Proof of Acceptance or an item number enabling you to track delivery online. Use the chart below to estimate your total costs.

Scenario #2	Certified Mail
USPS fees:	
Postage (1 ounce letter)	\$0.45
USPS Certified Mail fee	\$2.95
Total USPS fees:	\$3.40

We've dramatically improved Certified Mail®. Here are the extra services you receive

- Proof of Acceptance without having to visit the Post Office
- Proof of Delivery (Electronic) via a PDF file within hours of delivery*.
- Safe and secure 7-year data storage
- An online record of all your Certified Mail® expenses, making it easy to track, manage and even gain reimbursement for them.

And what you save by using our service

- No forms to fill out, peel and stick
- No need to visit the Post Office
- No monthly service or meter fees
- No software to buy or install

All this for **\$4.76**, much less than your total cost for processing a piece of U.S.P.S. Certified Mail® today.

* Proof of Delivery (Electronic) provides time, date and city of delivery. It does not provide a signature and does not satisfy statutory requirements for a Domestic Return Receipt (PS 3811 Green Card) or Return Receipt (Electronic).
